

Dear Steve,

I was certainly inspired and blessed by your ministry at Presbytery. Taking a "tour" of The Last Supper guided by a modern day Messianic Jewish family is truly eye-opening and inspiring! Through drama and music the Upper Room comes to life while the meaning and significance of the Lord's Supper becomes ever clearer. Don't miss this opportunity to enlighten your faith and draw closer to Christ. Again, many thanks for your ministry.

Grace & Peace in Christ,

Rev. Robert A. Buchanan, Pastor and Moderator-Elect of the Presbytery of the Mid-Atlantic  
Evangelical Presbyterian Church
